Mrs. Rita Cornell,
69 Avon Place,
Newark, N. J.

Dear Mrs. Cornell:

Since going over my program for next week I find that Thursday would be a much better day for me to make the trip to Phila than Tuesday, then too, the Eagles are playing in Phila Thursday Night and we can go to the ball game and drive my husband back.

If Thursday will not be convenient for you drop me a line or give me a ring, otherwise, I will proceed with plans to leave here early Thursday. If we are going to stop in New Brunswick and Camden, as you said, we should get away by 10 A. M. any how don't you think. Let me know if this arrangement is O. K.

Very truly yours,
